

## Referral Program Terms & Conditions

Last Updated: January 20, 2022

- For every referral that books a service will automatically apply a discount monthly dues continually for the current year.
- Discounts will then reset at the beginning of each new year on Jan 1st.
- The Number of referrals that a client brings on will continue to add up over time. If a client does not hit the Top Tier within current year the discount will restart at the start of the new year. Yet, if the client hits the Top Tier anytime during the current year they will automatically be locked in at the Top Tier discount rate.
- After a client has referred a certain number, a pertinent discount will be applied for the lifetime of that clients subscription with FI 89.
- Upon first meeting referral will need to supply who referred them, and after verification the discount will be applied to the next months dues.
- A referral only needs to book 1 service with FI 89 for the discount to be applied. If the referral decides to leave or stop their relationship with FI 89 after they have paid and received their first service no reduction on discounts or referral count will be deducted from the current clients account.
- Referral only needs to successfully book and pay for at least one service for discount to be applied
- Referral has to be a first time client in order for Discount to be applied.
- Referrals who sign up for services will also receive a starting 5% discount.
- Current clients who reach the Top Tier will get an added perk of allowing anyone they refer to start out at the 15% discounted mark.
